The Justice Institute
of British Columbia Foundation

HELP OUR STUDENTS BE READY

Justice Institute of British Columbia (JIBC)

JIBC trains people who help keep communities safe and healthy — paramedics, firefighters, municipal police officers, sheriffs, correctional and probation officers, emergency management professionals, and search-and-rescue personnel. We also provide training in areas including conflict resolution, counselling, leadership, and mediation.

Giving to public safety and future generations

When donors give to support education, training and students at JIBC, the impact is far-reaching because of the work our students go on to do in their careers and lives. By leaving a gift in your Will, you can make communities safer and most just for future generations in British Columbia and beyond.

We can help you choose an area to support that is meaningful to you and best supports public safety education and students. **It's a gift to the people and place that you love.**
